FALCONER PUBLIC LIBRARY BOARD REPORT SEPTEMBER 9, 2024 – OCTOBER 15, 2024

The Library Board met on October 3rd. They would like to fill one of the vacant trustee positions with Jennifer Janocha. If approved, Jennifer will attend the next library board meeting on Thursday, December 5th at 8:00 AM.

Laz Theofilactidis representing El Greco Woodworking Inc. provided replacement wood in the entryway that matches our circulation desk as well as the soffits and several book cases in the library. The wood was installed by Gregory Haynoski of Haynoski Contracting. Mr. Theofilactidis, along with his family also crafted a beautiful bookcase with the matching wood that has been placed in front of the entryway. Our board and staff are beyond thankful for this support and help.

Avery Faulkner installed our new television above the entry way. This TV will be used as a messaging area as well as being available for zoom meetings and presentations.

Mr. Faulkner and the DPW crew removed bushes from the front of the library and poured our cement pad that will be used in front of the book drop that will be added to the front of the building by Venable Concrete Construction later this fall.

Our new handicapped accessible door is expected to be installed at the end of November by D&S Glass. We are very thankful to Avery and his staff for helping us to complete this project.

Ashley Nelson began our Story Hour classes on September 11th. She has a lively group of 14 three- and four-year olds.

On October 9th, Sandy and Laurie along with FPL Board Vice-President, Pam Vanstrom and Trustee, Lisa Conti attended the Chautauqua-Cattaraugus Library System Workshops and 2024 Annual Meeting.

During the month of October we are presenting an art display by Barbara Garfield. There are over thirty works of art on display and most are available to purchase.

DCO report – Village of falconer September 2024

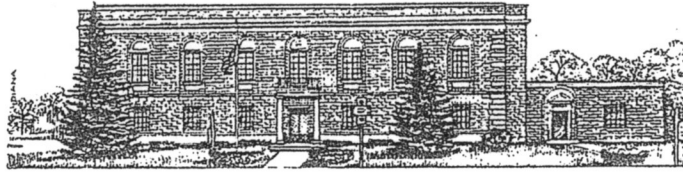

9/9 – CCHS called to report a complaint from a resident regarding suspected cruelty. Informed CCHS that DCO's have no jurisdiction for cruelty and that those calls need to go to the sheriffs.

9/22 – Complaint from Rachel Caprino regarding her neighbors' dogs at 510 Central barking all the time. I checked with town clerk and there are currently 2 dogs licensed at 510. I reached out to the owner Andrew Sears via call and text, he responded via text message. I informed him of the complaint and told him about the barking language in the village dog law, told him this was just a warning that a complaint was made. Informed Rachel I spoke to Andrew about the issue.

9/26 – Call from sheriffs regarding a call for a dog that was found running. Informed them I was in DC for the weekend and to let town of Ellicott handle.

9/27 – Call from a resident looking for a dog that was picked up by someone. Told her to check with town of Ellicott as I have not picked up any dogs recently, but town of Ellicott was dispatched last night for a call.

RESOLUTION #16-2024

IT IS HEREBY RESOLVED that Village of FALCONER, in order to take positive steps to alleviate the housing crisis, adopts the Pro-Housing Communities pledge.

Trustee _____ moved and Trustee _____ seconded that

WHEREAS, the Village of Falconer (hereinafter "local government") believes that the lack of housing for New York residents of all ages and income levels negatively impacts the future of New York State's economic growth and community well-being;

WHEREAS, the housing crisis has negative effects at regional and local levels, we believe that every community must do their part to contribute to housing growth and benefit from the positive impacts a healthy housing market brings to communities;

WHEREAS, we believe that supporting housing production of all kinds in our community will bring multiple benefits, including increasing housing access and choices for current and future residents, providing integrated accessible housing options that meet the needs of people with sensory and mobility disabilities, bringing economic opportunities and vitality to our communities, and allowing workers at all levels to improve their quality of life through living closer to their employment opportunities;

WHEREAS, we believe that evidence showing that infill development that reduces sprawl and supports walkable communities has significant environmental and public health benefits; and

WHEREAS, we believe that affirmatively furthering fair housing and reducing segregation is not only required by law, but is essential for keeping our community strong and vibrant;

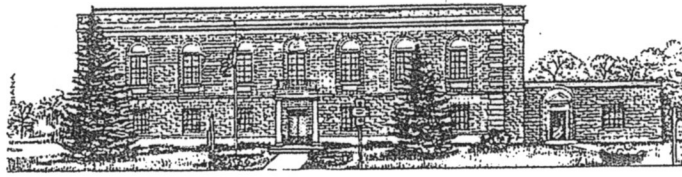

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Village of Falconer, in order to take positive steps to alleviate the housing crisis, adopts the ProHousing Communities pledge, which will have us endeavor to take the following important

steps:

1. Streamlining permitting for multifamily housing, affordable housing, accessible housing, accessory dwelling units, and supportive housing.
2. Adopting policies that affirmatively further fair housing.
3. Incorporating regional housing needs into planning decisions.
4. Increasing development capacity for residential uses.
5. Enacting policies that encourage a broad range of housing development, including multifamily housing, affordable housing, accessible housing, accessory dwelling units, and supportive housing

Subject: Re: Santa Parade information

Thanks for asking. 😊

The Falconer Rotary Club is requesting permission to hold the annual Santa Parade on Saturday, November 23, 2025, starting at 5 pm. Due to safety concerns for the previous parade lineup area on S. Dow Street, the parade will form at the High School parking lot on East Avenue. From East Avenue, the parade will proceed west on Main Street and ending at Davis Street. As in years past, there will be a petting zoo, 3C's Catering food truck and a Christmas tree lighting in front of the Santa House.

I will attend the board meeting if there are any questions.

Sincerely,

Alan Gustafson
Falconer Rotary Club
Parade Chairman
