FALCONER PUBLIC LIBRARY BOARD REPORT JANUARY 13, 2025 – FEBRUARY 10, 2025

The library has new computer tables and a bookcase made by Colecraft. These new additions were covered by funds from the William B. Anderson and Juliet J. Anderson Rosch Charitable Foundation. We thank the DPW crew for helping bring in the new tables and taking out the old!

We also received five Dell OptiPlex All-in One computers. Three of the computers replace staff computers upstairs, while the other two begin our replacement of patron computers downstairs. Partial funding of these computers came from a grant from the Falconer Region Community Fund through the Chautauqua Region Community Foundation.

Our open house/reception for students in Lauren Kimball's art classes at Fenner Elementary School who are displaying their artwork at the library was held on Tuesday, January 28th from 4 PM to 6 PM. We had 199 visitors join us! The display will be in the library for the month of February.

We also have a small display from the Bethlehem Lutheran Church in remembrance of the 100th anniversary of the fire that completely destroyed the original church on January 30, 1925.

The next meeting of the Falconer Public Library Board will be held on Thursday, March 13th at 8:00 AM.

2024 Statistics:

- 22,912 - check outs
- 19,002 - patron visits
- 2,111 - computer users
- 951 - new additions to our collection

DCO Report - Falconer January 2025

1/7 - received voicemail from someone who saw a post on Facebook where there was an injured dog at 2 Williams Street. I searched Facebook and found the post and the original poster commented that allegedly the dog left the house because Town Of Ellicott police would not take the dog last night because it's paw was bleeding and they will not pick it up If the dog needs medical attention they told her. On 1/8 the mayor texted me and asked me if I heard about a dog at 2 Williams Street I informed him of the above call. I have drove around several times and not seen a dog, I told him I would drive by today and if I see the dog is running anywhere, I'll pick it up and contact Dr Fales. No dog located.

A week or so later I seen a post on Facebook of a guy who picked up the dog outside the village. I messaged him on Facebook to get more info about the dog and help him get the dog to where it needs to be...he never responded back.

1/21 - Christina Wagner, 716-482-2798, called about a dog that is in the village and allegedly been living outside for about a year now and not being properly cared for. Dog located at 7 Harmon Avenue. Responded back that she would need to reach out to the sheriff's office as DCO's have no jurisdiction over animal cruelty.

Hi Mayor,

We have been able to secure some funding to move forward with a mural program (Paint CHQ) through a partnership with the Chautauqua County Department of Planning and Development and CCPEG!

We are focused on doing up to 5 murals in downtown areas.

We would like to **potentially** focus on one in Falconer.

We have hired a public art consultant, Alex Hall, who completed a very similar program in Livingston County:
<https://www.visitlivco.com/things-to-do/inspirations-trail/livco-walls/>

We have a pretty aggressive schedule with the second week of September (6th – 14th) being the week that artists would come and paint the murals and have a little festivals around the unveiling.

We have done a little homework this past year and have been looking at walls in Falconer.

A couple walls that stand out are the walls on 23-25 E. Main St. and 41 W. Main St. (See Document Attached). Although we believe these would have large impacts, we are also open to your input on other walls.

As part of the program, we would work with the municipality and a municipal steering committee to develop a creative brief for the chosen artist through a local, regional, and national call for artists.

The artist would then create a few different mock-ups and the steering committee and property owner (Who would ultimately sign off on the design) would get to be involved.

We would also have community involvement through an apprenticeship program where anyone can sign-up to work with the artist on the mural!

Our goal is to have a community workshop on March 4th, to talk more about the project, but we would like to have a location secured by then.

Let me know your thoughts. I would be happy to discuss more and I will be sharing a program information sheet shortly.

Best,
Rebecca

Dear Mayor Jaroszynski, Board of Trustees and Falconer Fire Department,

As I dropped off my daughter this morning to take the charter bus back to my alma matter SUNY Fredonia ('86) from Long Island, I remembered a historic event that happened 40 years ago January 20, 1985 during Super bowl Sunday when the charter bus I ran got stuck in the snow for a while on Route 17 that was closed down due to the snow storm.

THANK YOU !, to all the Falconer FD volunteers that came out that night to rescue us and set us up in the Falconer HS gym where we spent the night as the storm passed.

Your generosity in providing food (McDonalds) and warm blankets was greatly appreciated by all and is fondly remembered by everyone that was on that trip !

Unfortunately, I don't believe we have any pictures from that event as it pre-dates the popular cell phone and I did not have a Kodak Instamatic on hand to document the event !.....lol

I plan to do a shout out to your Fire Department at our (www.ColdSpringHarborBand.com) upcoming Billy Joel Tribute show scheduled for Friday, October 17, 2025 at the Fredonia Opera House commemorating the 50th Anniversary of Billy Joel's SUNY Fredonia show.

Please give my sincere thanks and appreciation to all that were involved in our rescue that cold January night !

Sincerely,
